

My Two Daily Devices

1. PlayStation 4 (Fat Model)

MODEL

Sony PS4 (Original version)

PROCESSOR

8-core AMD Jaguar CPU

RAM

8 GB GDDR5

STORAGE

500 GB Hard Disk

WHY IS IT IMPORTANT FOR ME?

- **I use it to** play video games like Fortnite and GTA with my friends online.
- **It allows me to** watch YouTube videos on the big TV in my room.
- **Without this device,** I couldn't play with my group of friends during the weekend.

✓ PRO

It has a lot of cool games that I really like.

✗ CON

It gets very hot and the fan makes a loud noise when I play heavy games.

2. Samsung Galaxy A33 5G

SCREEN SIZE

6.4 inches

PROCESSOR

Exynos 1280

RAM / STORAGE

6 GB RAM / 128 GB memory

BATTERY

5000 mAh

WHY IS IT IMPORTANT FOR ME?

- **I use it to** chat on WhatsApp, scroll on TikTok, and listen to music.
- **It allows me to** take photos when I go out with my friends.
- **Without this device,** I couldn't stay in contact with my family when I am away from home.

✓ PRO**✗ CON**

The battery lasts almost two days without charging.

The phone takes a long time to charge completely.
